# Accreditation

The LIGS University is accredited by [Accreditation Service for International Schools, Colleges and Universities \(ASIC\)](#).

**The University has earned Premier status with ASIC for its commendable areas of operation. ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider or distance education provider, demonstrate to the international student body that they are a high-quality institution.**

ASIC is recognised by UKVI in UK, is a member of the CHEA International Quality Group (CIQG) in USA and is listed in their International Directory, is a member of the BQF (British Quality Foundation) and are institutional members of EDEN (European Distance and E-Learning Network).

Due to the differences in American and other systems of higher education and in accordance with the requirements of the laws of the State of Hawaii we need to inform you that

**LIGS UNIVERSITY IS NOT ACCREDITED BY AN ACCREDITING AGENCY RECOGNIZED BY THE UNITED STATES SECRETARY OF EDUCATION.**

**Note:** In the United States, many licensing authorities require accredited degrees as the basis for eligibility for licensing. In some cases, accredited colleges may not accept for transfer courses and degrees completed at unaccredited colleges, and some employers may require an accredited degree as a basis for eligibility for employment. While obtaining a national or regional accreditation is not mandatory in the US, LIGS University will make every effort to bring the best possible education to its students. We are thrilled to have students from dozens of countries around the world, including the USA, studying at LIGS University. This confirms the quality and excellent service to students, as evidenced by the ASIC Premier University's status, ISO 9001, ISO 27001 and ISO 29990:2010.
